THE MCLAREN

WHY WE'RE DIFFERENT.

The Summit Homes difference starts with our ability to tailor the building journey to your individual needs. So your dream home is crafted to reflect your specific style, and your family's ideal lifestyle. With our sophisticated and thoughtful design, high-quality contemporary styling and industry-leading building practices, we create a home that is quite simply, exceptional.

CHOOSE FROM EIGHT CHARMING DESIGNS.

Our Country range offers a contemporary approach to traditional 'homestead' living. With each design inspired by our own unique climate, this range has taken quintessential traditional country charm architecture and applied a modern twist to it, so you can experience the best of both worlds. If you like to enjoy the advantages of modern luxury living but prefer the timeless styling of the past, you'll love our Country Range.

A NEW ERA OF STYLE.

Summit Homes is excited for you to experience The Style Studio by Summit.

A place where you can touch the textures, see the colours and hear about the latest trends in building – it's a great place to start your building journey.
